Re: Calhoun LNG, L.P. 91
Docket No. CP05-__-000

Point Comfort Pipeline Company, L.P.
Docket No. CP05-__-000

Dear Ms. Salas:

Enclosed for filing pursuant to Section 3 of the Natural Gas Act ("NGA"), 15 U.S.C. § 717(b)(a)(2004), and Parts 153 and 380 of the Commission's Regulations, 18 C.F.R. Parts 153 and 380 (2004), is an "Application for Authorization to Site, Construct and Operate Liquefied Natural Gas Import Facilities" ("Application") submitted by Calhoun LNG, L.P. ("CLNG") and Point Comfort Pipeline Company ("PCPLC") (together "the Applicants").

CLNG is seeking authorization to site, construct and operate a liquefied natural gas ("LNG") receiving terminal and associated facilities to be located at the Port of Port Lavaca - Point Comfort as a place of entry for the importation of LNG. PCPLC is also seeking authorization under NGA Section 3(a) to site, construct and operate an associated send-out pipeline to connect the CLNG import terminal to Texas intrastate pipelines and an industrial end-user.

This Application consists of the following material:

- Transmittal Letter;
- Application Volume (includes Form of Notice for the Federal Register and Exhibits A, B and C required by Section 153.8(a)(1), (2) and (3) of the Commission's Regulations, 18 C.F.R. § 153.8(a)(1), (2) and (3) and Exhibit Z (Letters in Support of Project) (PUBLIC);

The Honorable Magalie R. Salas

March 18, 2005

Page 2

- Exhibit F:
 - Exhibit F, Public Information Volume, Volume I (Environmental Report – Public versions of Resource Report Numbers 1-3 and 5-12 and Public Tables, Figures and Appendices) (**PUBLIC**);
 - Exhibit F, Non-Internet Public Volume, Volume II (Environmental Report – Non-Internet Public portions of Resource Reports) (**NON-INTERNET PUBLIC**);
 - Exhibit F, Critical Energy Infrastructure Volume, Volume III (Environmental Report – Resource Report Number 12, Appendix 11C from Resource Report 11, and CEII Figures from Resource Reports 1-3 and 5-12) (**CRITICAL ENERGY INFRASTRUCTURE INFORMATION – Do Not Release**); and
 - Exhibit F, Privileged and Confidential Volume, Volume IV (Binders 1-5) (Environmental Report –Resource Report Number 4) (**PRIVILEGED AND CONFIDENTIAL INFORMATION – Do Not Release**).

Information contained in Exhibit F., Privileged and Confidential Volume IV contains location, character and ownership information about cultural resources or access to such information. In accordance with Section 388.112 of the Commission's regulations, 18 C.F.R. § 388.12 (2004), the Applicants request that the Commission treat this information as privileged and confidential information. Questions regarding this request for privileged and confidential treatment should be directed to the undersigned.

Information in Exhibit F, Critical Energy Infrastructure Volume III (Binders 1-5) regarding the proposed CLNG terminal contains Critical Energy Infrastructure Information ("CEII") as defined in Section 388.113(c)(1) of the Commission's regulations, 18 C.F.R. §388.113(c)(1)(2004). CLNG requests confidential treatment for this material which should not be released to the public. Accordingly, this Volume has been marked as "Contains Critical Energy Infrastructure Information."

Pursuant to Rule 388.112 of the Commission's Rules of Practice and Procedure, 18 C.F.R. § 388.112 (2004), the Applicants are submitting an original and seven (7) copies of the Application Volume, Exhibit F, Public Volume No. I and Exhibit F, Non-Internet Public Volume II. The Applicants are submitting one (1) original version of Exhibit F, Privileged and Confidential Volume No. IV, which is marked "CONTAINS PRIVILEGED AND CONFIDENTIAL INFORMATION – DO NOT RELEASE". CLNG is submitting an original and two (2) copies of Exhibit F, Critical Energy Infrastructure Volume No. III (Binders 1-5), each of which is marked "CONTAINS CRITICAL ENERGY INFRASTRUCTURE INFORMATION." These volumes should not be released.

The Honorable Magalie R. Salas

March 18, 2005

Page 3

The Applicants also are submitting three Compact Diskettes containing the following information (1) one diskette containing the Application; (2) one diskette containing Public Volume No. I, and (3) one diskette containing a Form of Notice suitable for the Federal Register.

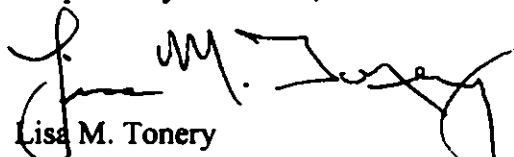

The Applicants requests that correspondence and communications concerning this filing be directed to the following:
